## About me

Hello! I am a Finnish 23-year-old game dev student from Tampere. I'm currently on my final year of studies for my Bachelor's degree. I've dabbled in various languages and software's, but I'm most proficient with Unity and C#. I'm currently looking for work in either game development, or as a programmer in general.

## Education

### **Bachelor Of Business Administration (ICT) | 2022 - Current | Tampere University of Applied Sciences**

- Information and Communication Technologies (ICT)
- Focus: Games Academy

### **High School Graduate | 2018 - 2021 | Ikaalisten Yhteiskoulun Lukio**

## Skills

- **Language:** C#, Java, SQL
- **Software:** Unity, Blender, Unreal Engine 5, Tiled Editor, VSCode
- **Other:** GitHub, Trello, DNS, Game servers

## Work Experience

### **Game Programmer | Skydome Entertainment | 2025 (7 months)**

- Internship at Skydome, more info in portfolio

### **Cashier | S-Market, Lidl, Market stand | 2019-2024**

- Various summer jobs doing customer service, working the register, filling shelves

### **TET (Work Practice Program) | Colossal Order | 2017 (2 Weeks)**

- Simple QA work for Cities Skylines

**Portfolio:** [juusosaaranen.com](https://juusosaaranen.com)

## Other Information

- I speak Finnish natively, and English proficiently.
- I have completed my military service in 2022.
